

Call for Papers

International Conference of Production Research – Americas 2020

Special Session: “Decision Support Tools for Forestry and Natural Resources Management”

Submission deadline: ~~July 31st, 2020~~ ~~August 18, 2020~~ **AUGUST 31, 2020** (Hard deadline)

Special Sessions Chairs:

Diego Broz (Universidad Nacional Misiones and CONICET, Argentina),

Víctor Viana (Universidad de la República, Uruguay)

Daniel Rossit (Universidad Nacional del Sur and CONICET, Argentina)

This Special Session is targeted towards, the **10th International Conference on Production Research ICPR Americas 2020** which will take place December 9-11, 2020 in Bahía Blanca, Argentina. The ICPR-Americas 2020 conference papers submitted to this Special Session should address the problem of production research and decision-making in agriculture and forestry environments. Also, the analysis of different aspects of production, such as economic analysis, technological impacts, social issues, landscape management, among others are welcome.

Potential topics under the scope of this Special Session but are not limited to:

- Operational research methods relevant to forestry and environment
- Sustainability indicators in forestry and environment
- Forest decision support systems
- Agriculture and forestry Supply chain optimization
- Economics analysis
- Bioenergy logistics
- Invasive species and wildlife management
- New Technological impacts
- others

Submission guidelines
