

# Call for Papers

## International Conference of Production Research – Americas 2020

### Special Session: “Recent advances in Food Science and Technology”

Submission deadline: ~~July 31<sup>st</sup>, 2020~~ ~~August 18, 2020~~ **AUGUST 31, 2020** (Hard deadline)

Special Sessions Chairs:

*María Clara Tarifa (Universidad Nacional de Río Negro and CONICET),*

*Lorena Brugnoli (Universidad Nacional del Sur and CONICET)*

*Jorge Lozano (Universidad Nacional del Sur and CONICET)*

*Guillermo Crapiste (Universidad Nacional del Sur and CONICET)*

*Facundo Iturmendi (Universidad Nacional de Río Negro)*

This Special Session is targeted towards, the **10th International Conference on Production Research ICPR Americas 2020** which will take place December 9-11, 2020 in Bahía Blanca, Argentina. The ICPR-Americas 2020 conference papers submitted to this Special Session should address fundamental and applied research findings with potential for enhancing product quality, extend shelf life of fresh and processed food products, improve process efficiency, considering technological aspects related to the development of functional foods and beverages.

Potential topics under the scope of this Special Session but are not limited to:

- Development and improvement of industrial processes
- Processing and Preservation Technologies
- Food microbiology
- Functional foods
- Byproducts as a new source of natural food additives
- Novel processing technology of fermented foods and beverages
- Extraction strategies to recover bioactive compounds
- Others

#### **Submission guidelines**
