Production Journal

Thematic Section of Production: ICPR-Americas 2020

Submission deadline: April 30th, 2021

Special Issue Guest-Editors: Fernando Tohmé (Argentina), Daniel Alejandro Rossit (Argentina), Gonzalo Mejía Delgadillo (Colombia)

This thematic Section of the Journal Production is targeted towards, but not restricted to, the papers presented at the 10th International Conference on Production Research ICPR Americas 2020 (July 8-10, 2020) in Bahía Blanca, Argentina. The conference papers of ICPR-Americas 2020 submitted to this special issue must have additional contributions (50% or more). Submitted papers must cite the original conference paper and explicitly state what the additional contributions are.

This Thematic Section of Production of the *Production Journal* seeks to attract high-quality, high-impact research and state-of-the-art developments on Production Research in all areas. Submitted papers have to align their contents with the stated goal of the journal.

Potential topics of this Special Issue include (but are not limited to):

- Sustainable Manufacturing
- Production and Innovation Clusters
- Production process design
- Product design
- Food Production
- Production Technology
- Industrial agricultural production
- Production Networks
- Assembly line
- Scheduling problems
- Decision Making in supply chain management
- Operations Management

Strong, new, and insightful conceptual and application-oriented additions to the existing body of knowledge are particularly welcomed. All papers submitted to the special issue will be peer reviewed in accordance with the standard procedures of the Production Journal.

Manuscript Preparation and Submission

Authors should submit their papers via the journal's online submission site <https://www.prod.org.br/instructions>. Submitted papers should not have been previously published or be currently under consideration for publication elsewhere. Important Dates: Submission start after ICPR-Americas 2020; Deadline for submissions: November 30th 2020.
