## ***Call for Papers***

### ***Journal of Food Processing and Preservation***

#### **Special Issue:**

### **Recent Advances in Food Science and Technology**

---

This special issue is targeted towards, but not restricted to, the **10<sup>th</sup> International Conference on Production Research ICPR Americas 2020** that will take place July 08 - 10, 2020 in Bahía Blanca, Argentina. Contributions arising from papers given at the ICPR-Americas 2020 conference should be substantially extended, and should cite the conference paper where appropriate. Selected papers presented at ICPR-Americas 2020 will be selected for extended versions to be published in a Special Issue of the "**Journal of Food Processing and Preservation**".

This special issue seeks to attract high-quality, high-impact research and state-of-the-art developments towards fundamental and applied research findings with potential for enhancing product quality, extend shelf life of fresh and processed food products, improve process efficiency and technological aspects related to the development of functional foods and beverages. Submitted papers must comply with the aims and scopes of the Journal.

Potential topics for the Special Issue include but are not limited to:

- Development and improvement of industrial processes
- Processing and Preservation Technologies
- Food microbiology
- Functional foods
- Byproducts as a new source of natural food additives
- Novel processing technology of fermented foods and beverages
- Extraction strategies to recover bioactive compounds
- Others

Strong, new, and insightful conceptual and applied oriented studies that add significantly to the existing body of knowledge are particularly solicited. All papers submitted to the special issue will be peer reviewed in accordance with the standard procedures of the *Journal of Food Processing and Preservation*.

Manuscript Preparation will be according to the standards of the journal and Submission Deadlines will properly be informed.

Submitted papers should not have been previously published or be under consideration for publication elsewhere at the moment of submission. Important Dates: Submission start after ICPR-Americas 2020.
